

B.Sc Chemical Engineering

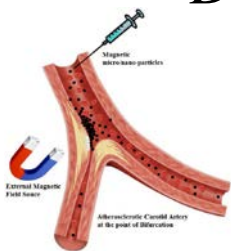

Sharif University of Technology. Tehran, Iran.

M.Sc Chemical Engineering

Delft University of Technology. Delft, The Netherlands.

- Thesis: “*In vitro study towards Magnetic Drug Targeting: Development of an Optical Technique for Investigation of Particle Distribution and Local Capture Efficiency*”.

- Internship: “*Heat-Induced Tranexamic Acid Release from Thermosensitive Liposomes*”. University of Utrecht. Utrecht, The Netherlands.

Universiteit Utrecht

Aguilar et al. Ann Biomed Eng. 2012; 40(2).
